

B: CSSTE in the State

(Haram)

9. How has the state's approach towards teacher education changed post 2012?

from the year 2012-2013 and 2013-2014, we had received fund. However, this has stopped now. The funds were utilized for conducting short term training for in-service teachers for every subject. Action research programmes.

10. Has the state prepared a perspective plan for teacher education under the CSSTE? Could you mention some of the salient features of this plan?

At DIET, preparing plan and we provide it to SCERT. The state doesn't prepare the plan. We do it. The features include (a) In-service training of teachers, (b) Action research, (c) I.T. Education.

11. To what extent does this plan address the aims and objectives of NCFTE 2009 and RTE 2009?

We address ~~the~~ all the (National Curriculum Frameworks) norms of NCFTE and RTE while making all our plans.

12. According to the perspective plan of the state, What is the key contribution that is expected from your institution?

Baseline survey in school, In-service teacher training, Action research and DIET design on programmes and contributions on a need basis analysis.

13. Have you seen to the 12<sup>th</sup> plan guidelines for the CSSTE scheme? To what extent has the state been able to support your institution in achieving the proposed vision in the 12<sup>th</sup> plan scheme of the guidelines?

We don't know anything about 12<sup>th</sup> plan guidelines. But we undertake all our programmes and training based on CSSTE scheme.

14. What are the processes to monitor your institution's work? How is this monitoring carried out?

I conduct a meeting (academic) of all our faculty on every Saturday. We share field work. I allot routine duties (in the form of time table) and we assess our meetings.

15. Has the state been able to create a platform/forum for convergence of all the institutions and structures (including SSA and RMSA) of teacher education within the state? Can you highlight major achievements of this forum?

No forums so far.

16. Under the CSSTE how has the flow of funds to your institution been? Are the funds received adequate? What were the timelines of receipt of the same? If there were bottlenecks how were these resolved?

We received funds till 2014. However, we have not received any contingency funds.
