1. Introduction:

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2023-24 for SAMAGRA SHIKSHA for the State of Karnataka was held on 24.02.2023 through Video Conference. The list of participants who attended the meeting is at **Annexure-I**

Section: I - State specific initiatives, Review of Performance & Issues

2. Shri Sanjay Kumar Singh, Secretary (SE&L) invited Karnataka to give a presentation on School Education in the State. Shri Ritesh Kumar Singh, Principal Secretary, Department of School Education and Literacy, Karnataka gave a presentation which included the following major points:

2.1 Action taken for tackling the learning loss of children during Covid 19:

- a) **KalikaChetarike-** A learning Recovery Programme, taken under umbrella program.
- b) **Approach** - To address the learning loss, the state has taken the pro-active step of declaring 2022-23 as a learning recovery year and launched the KalikaChetarike Programme. The approach to the learning recovery programme is ensuring learning in the areas of Foundational Literacy and Numeracy, attainment of identified essential grade specific subject-wise learning outcomes and emphasis on the socio-emotional wellbeing of the students. Focus to lighten the content load without compromising on the core learning outcomes through specific learning programs was the key to successful implementation. This spiral approach to learning was ensured through a re-configured syllabus and a structured learning plan.
- c) **Implementation-** Provision of ample time for the teachers to engage their students in joyful and interesting activities that heralded concept learning by doing and concretized the learning through practice. Grade-wise and subject-wise learning sheets were designed in such a way as to provide flexibility for both practice and assessments. The learning sheets were made interesting and interactive to engage children in active learning. The teachers were trained to provide maximum learning opportunities and learning time to students, to link the LO based activities to textbooks, handle children at different learning levels, teach student groups at the Right Level, effectively use Teacher Handbooks and Student Learning sheets, and conduct assessments.
- d) **Impact of the Programme-** Training combined with accountability, feedback, and monitoring mechanisms, reinforced implementation and interactive classrooms. Class observations and supervision visits clearly emphasis the fact that children have definitely shown interest to learn with improved learning levels and teachers have realized that activity based learning is surely the best approach to attainment of learning outcomes. This has led to a massive support to activity/play/story/art/toy based pedagogies from teachers and parents.
- e) **Cluster sharing meetings-** Strategic cluster sharing meetings designed and planned to handhold teachers and ensure immediate clarification of doubts on teaching pedagogies and implementation procedures has been instrumental for the success of the programme. This has helped boost teacher morale and share best practices.

2.2 KalikaHabba- Various interventions to strengthen the programme have been initiated to achieve the cognitive goals of the system. KalikaHabba which is planned at the cluster/block/district levels is a learning festival which paved way for students to showcase their learning competencies, exhibit their curricular and co-curricular talents, interact with parents and community to express the learning opportunities they are being provided with in school and orient parents on their role in their child's learning. The students were also able to learn a lot from each other.

2.3 Midline assessment of learning program- A midline assessment survey to understand the implementation of 'KalikaChetarike' programme till now and to know the learning of children achieved till October 2022 was conducted on 28th and 29th December 2022. It was conducted in 692 primary schools for about 78,000 children and in 330 high schools for about 50,000 children, a total of about 1.25 lakh children in the State of Karnataka. The assessment was conducted for all the subjects, grade-wise with the support of 3,400 teachers across 34 districts and 204 blocks. The report documents the process and findings of the KalikaChetarike Midline Assessment Survey.

2.4 Vidyapravesh as a multi-level module for classes 1, 2 and 3

The 90 days school readiness module 'VIDYAPRAVESH' has been adapted by the state with day-wise timetable for classes 1, 2 and 3 since children of classes 2 and 3 also had no exposure to classroom transactions. Activity prototypes to support multilevel transaction was designed and administered to all the children for 3 months. Teacher Handbooks to guide teachers transact the module and student worksheets to facilitate literacy awareness and pre-number concepts were provided. A robust monitoring and mentoring mechanism was devised for effective implementation of the program. All FLN teachers were trained in a cascading model to transact effectively in classrooms.

3. Review of Commitments and Expected Outcomes & Action Taken during 2022-23

Secretary (SE&L) during the meeting made the observation as under:

- The Secretary (SE&L) appreciated the innovation and other activities undertaken by the State as recommended in NEP e.g. especially Competency based Learning and Assessment, self-assessment of teachers and the plan for skill based education at Secondary/Sr. Secondary levels to reduce drop-out rate.
- He made some observation on low expenditures in ECCE, Annual Grants, community mobilization, civil infrastructure and ICT interventions. He also said that the MMER is the untied fund which is easiest fund to spend but less spending in MMER needs to be checked.
- He also advised the State to collect the data from other departments where the children are taking admission after completing Grade- X, which will improve the GER & NER at higher secondary level.
- The subject PTR is also a matter of concern as this will affect the quality of education at secondary and higher secondary level.

- The students getting admission under 12(1)c is very minimal. The State needs to take up a study where these children are going after completing grade VII. The report may be shared with GoI in next PAB meeting.
- DIKSHA needs to be revisited and the State may provide their feedback to improve the usability of DIKSHA.

Principal Secretary (Education), Karnataka State said that

- The expenditure against the central release is 100%. The State always provides its share on time for Samagra Siksha; therefore the central release needs to be on time to do the 100% expenditure in Samagra Siksha.
- 15,000 teachers will be recruited in current financial year which will improve the subject PTR at Upper Primary and Secondary level.
- He also brought to the notice of the chair that KGBV infrastructure needs to be replaced as many of those are Covid Centers during the pandemic. The bedding and other useable items needs to be replaced to give KGBV more attraction to the children.

Joint Secretary (SE&L) Mr. Vipin Kumar made the observation that

- Last point of expenditure needs to be mapped with PFMS as per the instruction of Finance Ministry.
- Data/Information needs to be collected by the State for calculation of average year of schooling in HDI.

DDG Statistics put his observation that

- The OoSC data needs to be reconciled as the reported figures are not aligned with the educational indicators.

State Project Director, Karnataka said that

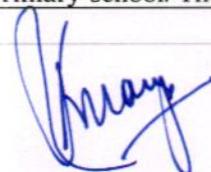

- The State is having its own child tracking system (SAT) and the Hon'ble High Court is very vigilant and as per the direction of Hon'ble High Court, the State is submitting report in every three months to the court. Identification and mainstreaming of OoSC is a continuous process in the State.

Director Finance (MoE) stated that

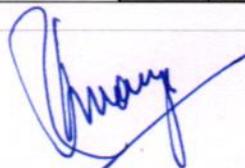

- The State is having huge unspent balance which needs to be reduced to get more money from GoI.

The progress made in implementing the commitments and expected outcomes given by the State in 2022-23 was reviewed and the status in respect of pending items is as under:-

	Subject	Action taken
1.	Pending Works in Non-recurring / Spill Over: The details of pending non-recurring interventions under different components are as detailed in the table below. State was asked to ensure that the in-progress works are completed on priority in the financial year.	Surrender of 140 Secondary Strengthening civil works sanctioned during 2016-17 approved amount of Rs 87.55Crores, during PAB of 2023-24.
2.	High Dropout Rate: Though the dropout rate at the secondary level has improved from 16.8 in 2019-20 to 16.6 in 2020-21, State needs to continue taking adequate measures to reduce the dropout rate and improve the retention rate.	<p>Under the Vidya Vikasa Yojana, the primary school universalization of 6 to 14 years old children who are out of school-children who sell dolls and flowers at traffic signals, abandoned children, street children, orphans etc. with a view to bringing them into the school mainstream for admission to primary 1st to 8th standard. Enrolment in school without obtaining any documents (parents, guardians, birth certificate, and other detailed documents) on Aadhaar. And children's learning is emphasized through remedial teaching and supplementary teaching by enrolling them in classes according to their age</p> <p>After enrolling the children in school under VidyaVikasYojana of Compulsory Primary Education, all necessary steps are being taken to bring them into the mainstream by providing them with free text book, uniform, mid-day meal, distribution of shoes and socks and all the privileges provided under the rules under RTE and other incentive schemes.</p> <p>The State is also preparing up gradation.</p> <p>All Deputy Directors (Administration) and Deputy Directors (Development) of the State and Taluk Level Officers and Field Education Officers are directed to ensure full enrolment and continued attendance of students in government, aided and unaided schools to ensure full enrolment and continuation of attendance.</p>
3.	Decline in Transition Rate: As per UDISE+, transition from Secondary to Higher Secondary level has declined from 65.7 (Boys) and 74.7 (Girls) in 2019-20 to 64.9 (Boys) and 72.0 (Girls) in 2020-21. State needs to take steps to improve the transition rate from the elementary to secondary level.	State has taken steps to improve the transition rate from the elementary to secondary level. The decline transition rate is 98.4
4.	Surplus Teachers at Elementary level: There are still 9,544 Surplus Teachers at	In the current year, the process of proper re-adjustment of additional teachers is underway in accordance with the enrolment of the children in the primary school. There are a

	Elementary Level, while the number of single teacher schools has increased at both the primary and upper primary level. The number of schools with adverse PTR is also quite high at 31.7% and 24.2% at the primary and upper primary level. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.	total of 187817 sanctioned posts in government primary schools and 139386 are working against this, 7730 working teachers considered as excess teachers. The process of Rationalization of the said 7730 teachers against the posts required as per P.T.R is underway. At present there are 141 Single teachers schools. Compared to the previous year, the number is less. The shortfall has been addressed by taking additional readjustment Rationlization measures so that the learning of children in any school is not hampered.																											
5.	Subject PTR at Secondary level: There 73.4% secondary schools are having teachers for all core subjects. Subject PTR at the secondary level is 86 for Mathematics, 89 for Science and 88 for Social Studies which is very comfortable PTR, State need to ensure redeploy required number of mathematics, Science and Social Studies teachers in all schools at the secondary level.	<ul style="list-style-type: none"> As per Revised transfer guidelines and Act 2020 state as made provision to rationalize teachers every alternative academic year. Teachers Rationalisation and transfer is in the progress as per the transfer Act 2020 and will be completed considering the geographical location and students enrolment 																											
6.	Teacher vacancy at Elementary level: There are 23,881 vacant posts of teachers in Govt, Elementary schools, that would need to be filled on priority.	The recruitment process of 15000 primary school teachers is underway in the current year to enable them to teach classes 6-8 against 23881 vacancies. Steps have been taken to address the shortage of teachers by recruiting guest teachers against the remaining vacancies.																											
7.	Implementation of Section 12: State is yet to identify private schools which have received land, grant or any other support from Govt, at any point of time. Hence, it is requested to ensure that such private schools which are under obligation to provide free education to children of Disadvantaged Groups and Weaker Sections are not reimbursed as per proviso to section 12(2) of the RTE Act 2009. State was requested to examine its score in each domain and take measures to improve its overall PGI score.

- a) **Learning Outcomes and Quality (C-1, D-1):** State still needs to work on providing interventions to improve the learning outcomes of the students.
- b) **Access Outcomes (C-1, D-2):** State has shown improvement under this and needs to focus on the Adjusted Net Enrolment Rate (ANER) at Secondary level and take steps for identifying Out-of-school-children and their mainstreaming. The pre-primary enrolment which is declined from previous year needs special attention to improve the access outcome.
- c) **Infrastructure & Facilities (C-1, D-3):** State has shown maximum improvement under this and was encouraged to further take measures to reach the top grade, with specific focus on areas where the performance is low.
- d) **Equity Outcomes (C-1, D-4):** State has shown substantial improvement under this with increase in the gross enrolment ratio of CwSN and % of entitled CwSN receiving aids and appliances.
- e) **Governance Processes (C-2, D-1):** State needs to focus on % Upper Primary schools meeting norms of subject-teacher as per RTE, f Govt. Schools at Elementary level Covered Under Twinning/ Partnership and BRC/CRC visit during previous academic year.

- **Net Enrolment Ratio (NER):** NER has declined at primary, Upper Primary and Secondary level from year 2020-21 to 2021-22. State would need to focus on improving the NER at these levels by bringing back children to the age appropriate classes.
- **High Dropout Rate:** Though the dropout rate at the secondary level has improved from 16.6 in 2020-21 to 14.6 in 2021-22. State needs to continue taking adequate measures to reduce the dropout rate and improve the retention rate.
- **Decline in Transition Rate:** As per UDISE+, transition Secondary to higher secondary transition <60% in 5 districts. State needs to take steps to improve the transition rate from the secondary to Higher Secondary level.
- **Surplus Teachers at Elementary level:** There are still 6,523 Surplus Teachers at Elementary Level, while the number of single teacher schools has increased at both the primary and upper primary level. The number of schools with adverse PTR is also quite high at 36.4% and 34.4% at the primary and upper primary level. State needs to go for a rationalization of teachers, to ensure availability of required number of teachers in all schools.
- **Subject PTR at Secondary level:** Only 68% secondary schools are having teachers for all core subjects. State need to ensure required number of Mathematics, Science and Social Studies teachers in all schools at the secondary level.
- **Teacher vacancy at Elementary level:** There are 24765 vacant posts of teachers in Govt. Elementary schools, which is an increase of 13.4% from 2022-23 to 13.71% in 2023-24, which would need to be filled on priority.
- **Implementation of Section 12:** State is yet to identify private schools which have received land, grant or any other support from Govt. at any point of time. Hence, it is requested to ensure that such private schools which are under obligation to provide free education to children of Disadvantaged Groups and Weaker Sections are not reimbursed as per proviso to Section 12(2) of the RTE Act 2009.

- **Out of School Children:** State has not proposed, though identified, coverage of children affected with seasonal migration. State has not identified Drop Outs in the age group of 16-19 years.
- **Vocational Education:**
 - (i) State has not implemented VE in 35 schools
 - (ii) Non Availability of Tools & Equipment in 150 schools.
- **Vacancy of Academic positions in TELs:**
 - (i) **Vacancy of academic positions in SCERT** is 60% with 27 faculties in position as against total recommended posts of 45 as per the scheme. These vacant posts needs to be filled up on priority as it is also directly impacting PGI indicator# 2.1.12
 - (ii) **Vacancy of academic positions in 30 Functional DIETs** is with only 547 faculties in position as against a total recommended strength of 750 (25 Academic posts per DIET). These vacant posts needs to be filled up on priority as it is also directly impacting PGI indicator # 2.1.12

Section: II- Financial Estimation

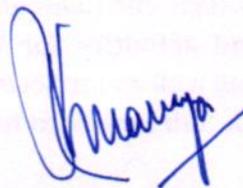

6. Total Estimated Budget (2023-24)

The estimates for the AWP&B for 2023-24 under Elementary, Teacher Education and Secondary are as under:

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring * (Fresh)	Total Fresh (3+4)	Grand Total (Including Spill-Over) (2+5)
1	2	3	4	5	5
Elementary	24586.14	3928.58	131860.75	135789.33	160375.471
Secondary	18792.89	4563.92	13290.69	17854.61	36647.5
Teacher Education	82.778	0	4937.98	4937.98	5020.758
Total	43461.8	8492.49	150089.42	158581.92	202043.73

*Includes Programme Management (MMMER)

7. Actual Releases by GOI during 2023-24

Against the above estimates, Central Government shall provide to the State Government, Rs. 92274.51 lakh as its share (Rs. 75969.41 lakh for elementary, Rs. 13759.41 lakh for secondary & senior secondary and Rs. 2545.69 lakh for Teacher Education). The State would contribute Rs. 61516.34lakh as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States will also be able to utilise their unspent balances as on 31st March, 2023 for the activities approved in 2023-24 including spill over. Based on the demand of funds projected for 2023-24, the tentative share of recurring and non-recurring grants is given below:

8. (Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	67527.02	7574.42	2543.87	77645.31
Non-recurring	8442.39	6184.99	1.82	14629.2
Total	75969.41	13759.41	2545.69	92274.51

The Balance of the outlay (i.e.Rs.43461.81 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2023-24). Against the above Spill over, the committed liability of Department of SE&L is Rs.18097.34 lakh (Rs.6602.61 lakh for Elementary, Rs.11494.73 lakh for Secondary and Rs. 0.00 lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2023-24. The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2023-24 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately

under all components of SamagraShiksha.Fund flow to SCERTs, DIETs etc. will be through State Nodal Account of State Implementing Society only.

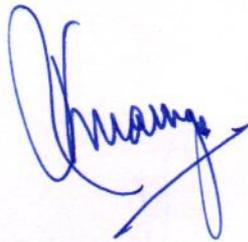

9. Spill Over

An outlay of **Rs.43461.81lakh**as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2023-24. The detail is enclosed at **Annexure II**.

10. Costing Sheet

The consolidated item-wise estimate for 2023-24 is at **Annexure III**. The State must bifurcate the annexed costing sheet among all the Districts according to their proposals/approvals and capture the district wise expenditure against the budget allotted, on the PRABANDH portal on a monthly basis for the real time monitoring of each activity/component approved under Samagra Shiksha. Also, State needs to ensure that timely implementation of the various interventions as per the annual calendar of activities submitted.

The meeting ended with a vote of thanks to the Chair.

This would be established as sharing and learning platforms to encourage volunteerism amongst teachers for their professional development and exchange their experiences for betterment of fellow teachers. Hoblicenters are more convenient and accessible as teachers pass through these points to reach their schools.	
		79.0.602	Blended Learning	1800	0.02760	49.68	1800	0.02760	49.68	Recommended as proposed for Blended Learning to leverage teachers for “in class” digital learning and empower mothers to enable “at home” learning covering 1800 students in one block of Bellary District. The objective is reducing the digital divide by using technology and shared digital infrastructure. Under this, teachers will be trained as facilitators, mothers will be empowered by enabling them in use of digital devices & children will be assessed digitally to track LOs. This would also serve as a hybrid model for government schools with low-cost digital devices
